Associated Adelubs Ask Cooperation of Business Men of El Paso.

Associated Advertising Clubs of the Associated Advertising Clubs of the World as one of the leading marketing centers of America in which it will make a thorough investigation of exact conditions of Business and prospects for the year 1916.

Word was received this morning by Chas R. Russell of the El Paso Adelub that he has been appointed to represent this city and gather the required information. On December 2, as soon as the business men lave closed their books for the month of November, investigation will the leading cities of the United States and Canada will call upon representative merchants in the leading retail lines and ask a short list of questions which the committee fining to be a harometer of business. The investigation will consume four days.

A report containing many maps and chartes and compiled within 12 days, was delivered to president Wilson, premier Soulers of the leading business men of the country, hast year, and their high commendation of the investigation is what has led to a repetition of the plan this year.

Those in charge of the work say that the leading the properties of the plan this year.

Those in charge of the work say that the means make 1 long to the plan this year.

To Classified Advertisers

FROM the recently completed Audit of newspaper circulations in El Paso it is established that THE HERALD has 56 percent greater City and Suburban circulation than any other paper in this field. This helps to explain why RESULTS from Want Advertisements in The Heraid always exceed many times the returns from similar advertisements in any other local paper.
